2.1. The LMC has been invited to extend the commons HLS & ELS Agreement for five years until 31/01/2028.

2.2. The Board noted that a) it had gone to reasonable lengths to contact all graziers or those who are entitled to exercise grazing rights, and b) was reasonably certain that no Commoner, through exercising their grazing rights, intended to do anything that will run counter to the terms of the agreement.

2.3 The Board therefore agreed *nem con* that it should submit the application form for continuing participation in the ELS/HLS scheme with the proviso that if any new RPA schemes are launched within the five year period, they should be considered to see if any of them would better fit our management plans. **Action: T B-F**
